Chat

**Keller Williams
Realty Heritage — Total Edge Team
Is the chamber's August
Business of the Month!**

**Join us at noon at Jack's Café on
Wednesday, Aug. 17, for our monthly
luncheon and networking!
Lt. Jesse Evins
of the Floresville Police Dept.
will speak on how to keep your business
safe.**

Shop Floresville First!
Every dollar that is spent outside of Floresville
sends the money collected for sales tax else-
where — and not to our city!
Support our local businesses!

The crowd at the Summer Country Music Series event July 17 beats the heat in the shade of the oak tree as they listen to "Dirty Texas" perform.

After-Hours Mixer!
Join us Aug. 26 for a chamber mixer at the 181 Business Center (2840 Hwy. 181 Business) during a customer-appreciation Open House at **Keller Williams Realty and Builders Flooring**. There will also be a ribbon-cutting for Builders Flooring, a new tenant in the building. This will be a great networking opportunity. Watch for more info!

The chamber needs your help!
The chamber helps promote business members by passing out "Welcome Bags" to visitors to Floresville. But our supplies are running low; we need items from our business members to put in the bags — business cards, brochures, pens, pencils ... *anything* with your business name on it! This is a great — and free — way to spread the name of your business around the area! Call the office at 830-393-0074 and we'll pick up! Or e-mail us at info@floresvillecoc.com.
